My appointment notes

Prepare, ask questions and record next steps.

Name (optional): _____ Date / time: _____

Who I am seeing / where: _____

Before my appointment

What I most want to discuss

What has changed or is affecting my daily life

Questions I want to ask

During or after my appointment

What we discussed / agreed next steps

Who will do what, and by when?

Follow-up / who to contact if I have questions:

Use whichever sections help. This is a personal notes sheet, not medical advice.
